IN GOD WE TRUST

Pastor's Paragraphs

Congratulations and thanks to Rhonda Haycraft for your 36 years ministering through music in the FSBC family! Sunday, we recognized this milestone in Rhonda's life and in the life of our church. Thanks, Rhonda!

Awana is off and running. Have I told you how much I appreciate the spirit and the diligence of all of our Awana workers? They have undergone training and have planned and prepared thoroughly for the launch of this important and strategic ministry. The kids that are coming are receiving quality ministry and are having a lot of fun doing it. It will be exciting to see what happens and what God will do through this ministry as it grows. Please keep it in your prayers.

Please remember, too, our State Missions Offering. We are stronger and more impacting because of our combined ministry with 400+ churches in Indiana. Only one in eight Indiana households attends an evangelical church once a week. Two-thirds of Indiana households do not have even one evangelical believer. There are more than 4.3 million unreached people in Indiana. Half of this offering is returned to the local associations like ours to fund local initiatives. The rest goes to the church planting and church revitalization efforts of our state team, supporting and assisting local churches in our state.

Think about what John the Baptist said about our Lord: *"Behold! The lamb of God who takes away the sin of the world!"* (John 1:29)

---Bro. Russ
