Pastor's Paragraphs

Last Sunday was a great day! We started off with Bible study, then baptism, then the worship service, then, Sunday night's service featured reports from the Mission Mexico team, special music by Aarica Myers and a message from Jamie Myers. Bro. Jamie spoke to us about "*Being* the church" rather than just "*Doing* church." I thought his words were timely and relevant to us. May we never become so busy "doing church" that we do not focus on being the people of God, salting the earth with the presence of Jesus in us, bringing the gospel to others through our daily lives. It was good to see this beloved and dynamic young ministry couple back with us.

The time draws near for our **Mexico mission team**. Please pray for our team as we go scope out mission possibilities for our church. This team is an exploratory mission, a fact-finding mission, to discover ways our church can partner with a church or churches of Queretaro, Mexico to help spread the gospel there. It's in God's hands. We go representing you. We will be looking out for you and for ways you can plug in. We are finding that people of our church have connections in Queretaro, Mexico already. At least two of our members have business connections and/ or friends there. Pray.

This Sunday night, April 28, is "**Jonah's Druthers**" presented by our children's choirs. I'm excited about it! Our children's choirs and their leaders have worked extra hard on this exciting adaptation of the biblical account of the prophet Jonah. It will present an important message for each of us to hear and heed. Come out for this special service and encourage and support the talented children of our church as they present God's word in this unusual way. Bring a friend! Everyone is welcome!

See you Sunday, *Bro. Russ*

A Word from Keith

It's hard to believe that it's almost that time of the year when school comes to an end for the summer. It can be an exciting time as well as a time of uncertainty for those who are finishing their high school careers. Please be in prayer for our high school seniors as they pray and try to determine where God is leading them.

The Junior/Senior lunch for our teens will be on May 5th. This is a great opportunity for us to meet to pray for and with them about their future plans regarding colleges and majors. I know they would appreciate your prayers.

Also on May 19th our graduating Seniors will be recognized in the morning worship service and a lunch will be provided for them and their families afterwards.

"Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect." - Romans 12:2

God Bless,
Bro. Keith

Attention Graduates!

If you are graduating from high school, college or seminary in 2013, please contact the church office so that your name can be added to our graduation list for recognition on Sunday, May 19th.
