Pastor's Paragraphs

What a great week VBS was! Lives were eternally changed, and God blessed in a great way. A sincere thank you goes to everyone who worked in any way in VBS. It was truly a team effort, and every worker contributed to the blessings of the week. A special word of thanks is due to our director Robin Miller and Bobby. We cannot tell you how much we appreciate all you did to make our VBS a great event.

Please continue to pray for those families whose lives were touched by FSBC's VBS this year. Pray that God will continue to work in their lives for their good and His glory.

Thursday we celebrate Independence Day. We could well call it "Dependence Day" because of our dependence upon God. Benjamin Franklin, I believe, captured the truth of what was happening in those early days of our republic in his proposal to the Continental Congress to seek God in prayer for the writing of the constitution:

"If a sparrow cannot fall to the ground without his notice, is it probable that an empire can rise without his aid? We have been assured, Sir, in the sacred writings, that 'except the Lord build the House they labour in vain that build it.' I firmly believe this; and I also believe that without his concurring aid we shall succeed in this political building no better, than the Builders of Babel."

His observations are no less true today than they were when he spoke them. May each of us as well as the leaders of our nation understand this truth and depend on his leadership and blessing.

See you Sunday, *Bro. Russ*
